Heritage Academy has made the following provisions for the use of cell phones so that parents may have easy access to their children who are away at school. It is necessary that the student comply with the conditions listed below. Should the student fail to comply with these conditions, **Heritage Academy** reserves the right to confiscate the cell phone.

If you desire for your child to be able to use a cell phone at **Heritage Academy**, this form must be completed and returned to the registrar's office. The completion of this form is necessary for the student to use a cell phone at **Heritage Academy**.

I, _____ (student's name) and my parent or guardian, _____, agree to all of the following provisions regarding student use of cellular phones on **Heritage Academy** premises or at a school-sponsored event.

- Only a limited type of cellular phone is allowed for student use at **Heritage Academy**. The phone will not have a SIM card. The phone will not have a removable memory card. The phone will have no photographic capabilities. The phone will not be a 'smart' phone.
- Students are required to give the password to the dean.
- Students may expect that the dean will check the phone for inappropriate content or usage.
- The use of cell phones will be limited to the after-school hours. On weekdays, the student will be able to obtain their cell phone from the dean at supper, 6:00 PM. The student must return their cell phone to the dean by 9:30 PM.
- On weekends, the student will be able to obtain their cell phone during the day but must return it to the dean by 9:30 PM.
- Cell phones are not to be used during church services or other worship meetings. If a student's cell phone rings during these times, the phone will be confiscated.
- Cell phones are not to be used during study hall.
- Students are not to use the cell phone to call students of the opposite gender.
- Students must relinquish their cell phone upon demand. Students may lose their cell phone privilege if they have or use an unauthorized cell phone.
- Video, music and games are prohibited. Sexting and cyber-bullying are prohibited.
- Students are not to lend their cell phone to any other student.
- If it is determined that a cell phone has been used inappropriately, the phone will be confiscated.

We will monitor your child's use of their cell phone as closely as possible. However, it is not possible for us to monitor every conversation nor the length of every phone call. If it is determined that the use of the cell phone is interfering with the student's ability to function as a student of **Heritage Academy**, the cell phone will be confiscated for a period of time determined by the dean.

As a student of **Heritage Academy**, I agree to comply with the rules stated in the Cellular Phone Use Policy. I recognize that I am liable for any charges incurred by the use of my phone and that **Heritage Academy** is not responsible for any costs that the use of my phone may incur.
